August is Membership Month, which means its time to celebrate your Rotary club, your members, and the good you do in your community and around the world. Every month can serve as Membership & New Club Development Month. If you haven't recommended a new Rotary member yet during this Rotary year, now would be a great time to get started.

Coming in the month of September is **Foodland's Give Aloha.**

Give Aloha, **Foodland's** Annual Community Matching Gifts Program, was created in 1999 to honor Foodland's founder, Maurice J. "Sully" Sullivan and continue his legacy of giving back to the community. Each year during the month of September, customers are encouraged to make a donation at Foodland to their favorite [participating Hawaii non-profit organization](#). Each year, Foodland contributes more than \$250,000 to match customer donations for all organizations combined. Since the program began in 1999, a total of more than \$30.9 million has been raised for Hawaii's charities.

More information will be coming out in the near future. Non-Rotarians, family members, and friends can participate, so get the word out. The Hawaii Rotary

Jackie Barnes gave a HI \$5 in recognition of **President Alex** doing such a great job as President.

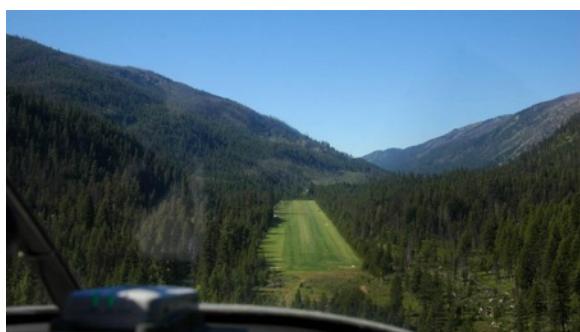

Kate Butts contributed \$5 to our club for her 2 week, 4-state vacation. It started in Washington State, where Hubby **Mike**, with a small plane, flew to **Jackson Creek, ID**, for an exciting camping trip. The only way to get to the camp site was by plane. Kate said the flight in was pretty scary, but exciting, flying over mountains, in between narrow valleys, then dropping down from 10K feet to 5K feet during the approach and landing to the camp site. Kate said all you could see from way up there was a very small green field that serves as a landing strip.

The landing pattern to the camp site

Mike navigating the between the narrow valleys

Mike approaching grassy landing strip

A selfie of Mike's landing!!

Kate said that Mike did a terrific job landing on the small air strip.

It was a great experience being in the middle of nowhere without many people around.

Not very many people there, so it was a great getaway. Kate was thankful because she could take hot showers! They met and made friends with 8 couples and all have planned to meet up again next year.

The Lodge (Bryant House)

After their camping trip was over, Mike and Kate flew back to Washington State, visited some friends there, then on to Oregon to visit relatives (cousins), then to California, then back home.

International Service Project Bali

"1 Island"

"2 Districts"

"3 Projects"

"Endless Opportunities"

This International project will be completed by two Districts, District 5000 and District 3420 (Bali). During the week of October 13-18, Rotary Club members from both districts will be participating in three different sub-projects. Each day Rotary Club members will be rotating between each project, with the fourth day as an optional project day, where Club members elect a favorite project. The three projects are:

The Bali Blood Bank – Assisting in setting up and/or improving blood collection centers.

**The Rotary Club of
Wahiawa-Waialua**

Jodie O'Shea House Orphanage. Clubs will be supporting the **Jodie O'Shea House**, an orphanage named after a Bali bombing victim. Clubs will be painting rooms at a cost of \$100 per room. The orphanage, which currently has 81+ children, of varying ages, provides the love and education these orphans would not receive if the orphanage didn't exist. The \$100 can be contributed by individual club members, or by an entire club. The \$100 will go toward the supplies required to paint these rooms. A painting contractor will provide oversight and follow-up to ensure the painting was completed correctly.

Prosthetics for children and serving children with disabilities. **PUSPADI BALI** is a program that assesses and provides persons with a disability with high quality prosthetic, orthotic, mobility aid or wheelchairs, which comfortably fits them. The program also assists families that have children with disabilities, such as loss of limbs, wheelchair bound children, cleft lips, open palate, etc. These children receive corrective surgery and speech rehabilitation. Club members will be assisting in the daily activities of the center.
