Give Aloha at Foodland, Sack N Save
and Foodland Farms
to Help Us Raise Funds for Hawaii
Rotary Youth Foundation (HRYF)

Give Aloha!

September 1 – 30 is Give Aloha Month at Foodland!

Give Aloha, Foodland's Annual Community Matching Gifts Program, was created in 1999 to honor Foodland's founder, Maurice J. "Sully" Sullivan, and continue his legacy of giving back to the community. Each year, during Sept. 1 – 30 at all Foodland and Sack N Save stores statewide, customers are encouraged to donate at the checkout to their favorite Hawaii non-profit organization. This year, Foodland and the Western Union Foundation will match each donation with more than \$300,000 for all organizations combined. Since the program began in 1999, a grand total of more than \$29.1 million has been raised for Hawaii's charities.

Hawaii Rotary Youth Foundation (HRYF) is participating in this year's Give Aloha, Foodland's Annual Community Matching Gifts Program. This program

MAURICE J. "SULLY" SULLIVAN

**SULLY SPENT HIS LIFE
GIVING TO THE COMMUNITY.
HIS LEGACY CONTINUES**

Throughout his lifetime, Foodland founder Maurice J. "Sully" Sullivan gave generously to many causes and encouraged the spirit of giving in others. It is in his honor that we present Give Aloha, Foodland's Annual Community Matching Gifts Program.

HRYF was founded by Mr. Sullivan during his year as Rotary's District Governor in Hawaii, 1976-77. It was Sully's desire to assist Hawaii's high school graduates realize their potential by attending a college or university of their choice here in Hawaii or on the

mainland United States. This coming year 2017, HRYF is awarding all 48 regular Rotary clubs a \$5,000 scholarship.

How It Works

From September 1-30, customers are invited to make donations up to \$249 (per organization, per person) to participating Hawaii non-profit organizations at checkout. Individuals must use their own Maika'i card to make a donation. Foodland and the Western Union Foundation will match a portion of each donation made with a Maika'i card. Donations made without a Maika'i card will not be matched.

Foodland Employees with a BIG check!

Matching Gift

The Western Union Foundation has generously donated \$50,000 to add to Foodland's gift of \$250,000 to Hawaii non-profit organizations participating in Give Aloha this year. Therefore, the total gift that will be

given to all participating organizations combined is \$300,000!

How to Donate

- At checkout, present your Maika'i card (or give your 10-digit number) and inform the cashier that you would like to make a donation to **Hawaii Rotary Youth Foundation**. If you do not have a Maika'i account, you may establish one by telling the cashier you would like to do so; you will need to give a unique 10-digit number (such as your phone number).
- Tell the cashier our organization's 5-digit code: **77199**.
- You may donate up to \$249 per organization over the course of several store visits. You may make donations to more than one organization.
- Tell the cashier how much you would like to donate. Your donation will be added to your grocery purchase total. You may donate up to \$249 per organization (any amount in excess of \$249 per organization will not be matched).
- Be sure the cashier reaffirms our organization's name and amount that you are donating.
- Any donation must be made payable to Foodland, Sack N Save or Foodland Farms.
- The name of our organization and the amount you donate will appear on your receipt. **Please ask cashier for a duplicate receipt.**
- Donor names will not be released to our organization. **Give your duplicate receipt to your HRYF club coordinator so they can mail it to our office for credit to your individual account. Acknowledgement of your gift will be mailed for tax purposes.**

Are These Donations Tax Deductible?

Give Aloha donations are tax deductible to the full extent of the law.

How Will My Donations Be Matched?

Every year, the matching gift percentage varies and cannot be pre-determined. For the past 5 years, the matching percentage has been between 20%-25%. Thus, if a

customer donated \$100 to an organization, Foodland and the Western Union Foundation's matching gift was \$20-\$25. The actual matching gifts will be calculated at the end of the program. Organizations will receive 100% of all customer donations given to their organization, plus their % of Foodland and the Western Union Foundation's \$300,000 matching gift.

Your gift will be matched so that a \$20 donation becomes approximately \$24, a \$40 gift would increase to around \$48. The match comes from Foodland and Western Union (up to at least \$250,000). Based on past years, the matches have provided at least an additional 20%!

When will our organization receive our donations and matching gift? All checks are disbursed by October 31, 2017.

Our Club provides HRYF Scholarships to high schools in the Wahiawa-Waiialua-North Shore areas.

Club members are encouraged to participate in this worthwhile program. Friends of our Club are more than welcome to participate. If you do and have receipts, you can drop the off each Thursday at **Dot's Wahiawa** between 11:45 am to 1:00 pm, or e-mail them to gjhorvath1@hawaiiintel.net.

Thanks to all in advance!

PP Lilette Subedi gave a HI \$5 everyone in our Club and Kate Butts for shopping at Walmart Mililani for our Kahauiki Village contribution for one new house and family, in the second building phase. RC Mililani Sunrise will be providing supplies for another unit.

Kate Butts gave a HI \$5 in recognition of PP Lilette Subedi working with her at the Going Green” event

held last Saturday at **Ka'ala Elementary**. It was a lot of fun! The Principal is always grateful for our participation.

Derek Conselva gave a HI \$5 for the successful gathering with all community organizations and **Sen. Donovan Dela Cruz**. Members from our Club participated.

Alison Kanamu gave a HI \$5 for her hubby always saying, "Let's go traveling!" Well, they did just that! They went to Seattle to visit their Grandparents.

While there she ran into an old classmate of hers, who fell in love with **dōTERRA**, and has ordered lots of product.

President Alex told of a harrowing trip down a small alley in a large SUV, with his Dad driving, to get to Pikes Place. He and the family had an opportunity of walking down Chewing Gum Wall, Pikes Place Market! People stick their gum to the wall, then stretch it, so it looks like hanabada!

Alex told us that he and his family lived in that area when he was young.

Alex and Lexi took the opportunity of going indoor skydiving! It was a great experience. Lexi had a bit of trouble starting off because of her size, but once the attendant assisted her, she did fine. Alex told us that the attendant assisted him in reaching an altitude of 20', then spinning Alex around!

All in all, it was great spending time with the grandkids, watching them play and shop.

Site Improvements Underway at the Wahiawa Terrace District 22 News

Aloha,

This past session I was able to work with my colleagues and the Hawaii Public Housing Authority (HPHA) to secure \$20 million in much needed Capital Improvement Program funds. These funds are to support the repair, maintenance, and modernization of public housing units throughout the State of Hawaii. Some of these funds have been allocated for site improvements at Wahiawa Terrace on Palm Street. Construction and site improvements are well underway and on schedule to be completed by this November.

So far HPHA has been working on the modernization of 45 one-, two-, three-, and four-bedroom dwelling units across 8 three-story buildings. This includes interior modernization; converting some units to ADA mobility, hearing or visually impaired compliant; building and accessibility improvements to the community maintenance building; repaving of driveways and parking stalls; exterior painting of all buildings and installation of solar hot water heating system with a hot water heating back up system.

The newly modernized units now feature replaced kitchen cabinets, all new appliances, new windows, new paint and dry wall, replacement tub/shower surrounds with solid surface material, and new flooring throughout.

Mahalo HPHA for all your hard work across the State of Hawaii, especially in Senate District 22. I look forward to touring the site once the construction is completed.

Board Meeting

The meeting was called to order at 12:24 pm

President's Report. “Connecting the Dots” at Dots, led by **Wahiawa Community Business Association (WCBA)** is still gaining momentum and is going strong. **PP Lilette Subedi** gave a brief report on the last meeting. Representing our Club, Lilette told the group what Rotary was and how our Club works within the community; that we were always looking for members that had an interest in serving within their community. At the last meeting, a representative from the

Governor’s office commented that this is the first time he has seen anything like this, multiple community organizations coming together, working for a common goal and reducing the duplicity of work. It has the right leader, **PE Keoni Ahlo**, President of WCBA. Community Collaboration at its finest!

Treasurer’s Report. Good news by our Treasurer, **Kate Butts**. By the efforts and hard work of our Club members working multiple community events, we are so far in the BLACK, that we are off the scales!

Unfinished Business. Update and status of current **Kahauiki Village Project** Club participation. **Kate Butts** went shopping and purchased household items for the kitchen and bathroom. **PP Lilette** will drop off the contributions this Saturday, August 24.

Membership Report/ClubRunner Report. No report. PE Keoni Ahlo was unable to make our meeting today.

2019-2020 Third Grade Dictionary Project. Update and current project status. Good news! **Kate Butts** told us that the cost of the dictionaries are the same price as last year! We just have to order the labels. If ordered in early September, we should receive them mid to late October. President Alex suggested that we invite our friends or prospective members. Participation in this fun and rewarding project may make them Rotarians.

Scholarship News / Project Grants / Fundraising. Scholarship flyer (**Dr. Lynn Goya**). Dr. Lynn has been working hard on finishing up our Scholarship flyer. She is in the process of uploading our Club’s participation in HRYF, pictures, and testimonies of past Club Scholars to our ClubRunner website. A lot of hard work went into putting this together. Dr. Lynn suggested that we invite past Scholars and their families to our meetings, so we can keep that special connection going, and hopefully, making Rotarians of these Scholars and their family members. **Jackie Barns** and Dr. Lynn are requesting more information on past Scholars. Members will dig into the scholarship program background/history. Someone mentioned that **PP Bob Pang** may have that information. PP Geoff Horvath said he would contact Bob to see if he has any additional background information.

HRYF. **PP Geoff** reminded club members of the suggested contribution of \$40 for this Rotary Year. That contributions can be made online, and Give Aloha is coming in September. This will be a good way of making your \$40 contribution! President Alex suggested that we have a bowl so members can contribute a dollar each meeting to meet this goal.

PP Geoff also informed the Club of the upcoming **Foodland’s Give Aloha** in the month of September, and gave a brief description of how the program works. Geoff also advised the Club that this week’s newsletter’s feature article covers the Give Aloha Program, history, etc.

The Rotary Foundation (TRF). Doing great with our contributions.
