ECONOMIC & COMMUNITY DEVELOPMENT

OCTOBER IS ECONOMIC AND COMMUNITY DEVELOPMENT MONTH

Economic and Community Development is Rotary International’s Sixth area of Focus.

Rotary supports investments in people to create measurable and enduring economic improvement in their lives and communities.

The Rotary Foundation enables Rotarians to invest in people by creating sustainable, measurable and long-term economic improvements in their communities and livelihoods by:

- Building the capacity of entrepreneurs, community leaders, local organizations, and community networks to support economic development in impoverished communities;
- Developing opportunities for productive work;
- Reducing poverty in under-served communities;
- Supporting studies for career-minded professionals related to economic and community development. <https://rotaryoceania.zone/>

ROTARY’S AREAS OF FOCUS

Nearly 800 million people live on less than \$1.90 a day. Rotary members are passionate about providing sustainable solutions to poverty.

Nearly 1.4 billion employed people live on less than \$1.25 a day. Our members promote economic and community development and reduce poverty in underserved communities through training, well-paying jobs, and access to financial management institutions. Projects range from providing people with equipment to vocational training. Our members work to strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

Our members and our **foundation** work to strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

We provide training and access to well-paying jobs and financial management institutions.

OUR IMPACT ON LOCAL ECONOMIES

Rotary members train people to become resources for their community, offering networking activities, advice on new business development, and mathematics and financial management training.

Rotarians make amazing things happen, like:

Breaking the cycle of poverty for women: Most of the women living in rural Guatemala do not have the collateral to get loans from regulated financial institutions. The Rotary Club of Guatemala de la Ermita

helped 400 local women complete financial literacy courses so they could pool their money and fund their own microlending program.

Skills development, business training: In Esmeraldas, Ecuador, Rotary members helped grant more than 250 microloans and train more than 270 community members in sewing, baking, plumbing, microcredit, business management, and leadership.

Sustainable farming: In west Cameroon, soil erosion and loss of soil fertility have significantly reduced farmers' harvests. Rotary members gave farmers the skills they needed to improve soil fertility, control soil erosion, and market their produce. The results: increased crop yields and profits.

In 1930, the Foundation awarded \$500 to the International Society of Crippled Children, which later became known as Easter Seals.

In 1947, Rotary members contributed 1.3 million dollars in memory of Paul Harris

In 1957, Paul Harris Fellow recognition began – the first form of donor recognition, expressing appreciation of eligible contributions of \$1000.

In 1965, the Matching Grants Program was established, allowing the Foundation to fund club and district projects. Group Study Exchanges began, connecting people across countries and cultures.

In 1979, Rotary began immunizing 6 million children in the Philippines against polio.

RI President James L. Bomar Jr (1979-80) putting the first polio vaccine drops in the Philippines

When **James L. Bomar Jr.**, then RI president, put the first drops of vaccine into a child's mouth, he ceremonially launched the Philippine poliomyelitis immunization effort. Rotary's first Health, Hunger and Humanity (3-H) Grant project was underway.

In 1980, Rotary committed to eliminating polio through immunization.

Hawaii Rotary Youth Foundation (HRYF)

We closed out the **Give Aloha Program** with a burst! We, as a Club contributed \$240 with additional contributions by individual members. Thank you Club for your dedication to HRYF and our future leaders!

Results will be coming out soon and will be posted for all to see. **PP Geoff Horvath** will be attending the **Give Aloha Celebration**, where checks will be handed out to participating organizations.

Spouse's Birthday

President Alex gave a HI \$5 for his **Son, Austin Kanamu** taking time to pick up and deliver his new double-hauled boat for his Lake Wilson adventures. Austin was excused by Executive Order!

None

Anniversaries

President Alex gave another HI \$5 for **PE Keoni Ahlo** and **PP Lilette Subedi**. Keoni for stepping up to become our next president, continuing to lead the way, and Lilette for heading us in the right direction. As Keoni put it, Lilette fixed the car, Alex waxed the car and Keoni will drive the car! For more see below.

Induction

President Alex gave HI \$10 for a story. Being in the towing business, he has to deal with lies from those who had their car towed. Rarely does someone tell the truth. Alex says 46 out of 50 people he has dealt with lied regarding their circumstance. However, one young man was returning from getting a meal from a fast food establishment, and was illegally parked. When the young man was approached by Alex, he told Alex the truth, admitted that he was wrong to park where he did. Alex was so impressed that he didn't tow his car. The down side of telling the truth is, Alex and his company would lose money!

Black Boarder Announcement

PP Doc McKenzie gave a HI \$5 for our membership. How to get young members. Seek family members, children, spouses, extended family members. The younger the better! He commended **President Alex** and **Alison Kanamu** for doing just that!

Derek Conselva gave a HI \$5 in appreciating of our members and for being at our meeting today.

Jackie Barnes gave a HI \$5 in appreciation of the service she received from Kilani Fender, Inc on Palm Street, Wahiawa, for finding nothing wrong with her rear bumper. Someone soft tapped her from the rear.

Jackie told us that the owner, **James Thinen** told her that **President Alex** has been trying for a long time to get James to Join. She said he also mentioned **PP Geoff Horvath**.

Kate Butts gave a HI \$5, thanking our members for coming to the meeting today, and thankful for being part of our Club Ohana.

Alison Kanamu gave a HI \$5 for the same reason as Kate. Alison said she is blessed to be a part of our Club Ohana. She also is thankful for working in the family towing business. It has taught her patience and humility, with some of the calls she receives from people who had their car towed for illegally parking.

Charlie Kocher gave a HI \$5 for being at our meeting and the warm welcome he received. Walking in, he saw smiling faces. He told us that we are top notch and he felt welcomed. Charlie will be here for about a month, and plans to attend meetings each week.

PP Lilette Subedi gave a HI \$5 for the love and respect we show for each other. We can rely on each other if we need assistance or need help with problems. Right now, we are supporting **Marie Abatayo** as she goes through the loss of her **Mom, Grace Abatayo**.

PE Keoni Ahlo gave a HI \$5 for being blessed as a member of our Club and all the assistance he is receiving as he gets ready to take over as Club President. "We have a lot of good members."

ROTARY VILLAGE CORPS

One of the newer programs in Rotary's panoply of worldwide service activities and projects is the Rotary Village Corps. This new form of grassroots self-help service was initiated by **R.I. President M.A.T. Caparas** in 1986 as a means of improving the quality of life in villages, neighborhoods and communities. Frequently there is an abundance of available labor, but no process to mobilize men and women to conduct useful projects of community improvement.

The Rotary Village Corps – or Rotary Community Corps as they are called in industrialized countries--is a Rotary club-sponsored group of non- Rotarians who desire to help their own community by conducting a specific improvement project. The Rotary members provide the guidance, encouragement, organizational structure and some of the material assistance for the Rotary Village Corps, which in turn contributes the manpower to help their own community. Thus, the Rotary Village Corps provides a totally new process for Rotarians to serve in communities of great need. Rotary Community Corps have been organized mainly in depressed ghetto areas of major cities where groups of individuals need the organizational and managerial skills of Rotarians to undertake valuable self-help community projects. The Rotary Village Corps program offers a totally new dimension to the concept of service to improve the quality of life.

Rotary – 114 Years of Service to the World!

D5000 Rotarians and Leaders:

Each year the clubs of Rotary District 5000 have the privilege and honor of suggesting candidates for District Governor from their membership. If your club has a qualified and willing member, we hope that you would support and honor that individual by submitting his/her name during this open window of nominations via the attached Nomination form, which the Club Secretary signs. Being considered is a memorable experience, as each candidate develops new and meaningful connections with Rotarians throughout the District. The nomination process for the 2022-2023 District 5000 Governor will be open from August 8, 2019 through midnight November 1, 2019. Please see the attached D5000 DG Questionnaire, and the Official Rotary International Nomination Form. Both forms must be completed and submitted to PDG Phil Sammer, no later than Midnight November 1, 2019. Our District Governor Selection Committee will hold interviews on November 9, 2019 beginning at 8 AM. Upon acceptance of your application, you will receive notification by email as to your interview time slot and location no later than November 4, 2019.

Forms should be submitted to PDG Phil Sammer at:
Email: philsammer@gmail.com

Please let me know if you have any questions or concerns. I am more than happy to discuss them with you at any time!

Aloha,

Rotary – 114 Years of Service to the World!

President Alex was encouraging members to consider becoming club president. Being busy is not an excuse. We want busy people as our president, because they are doers and leaders.

Those thinking of stepping up will have backing support and corporate knowledge from **PP Lilette**, **President Alex** and **PE Keoni Ahlo**.

Most clubs are having a hard time getting members to step up to become Club Presidents. Some Clubs change presidential responsibilities every quarter.

We are fortunate because we started a two-year term, during **PP Fran Wiebenga** term, and we were able to have a 7-year session plan. We are looking for someone to fill the position after PE Keoni finishes his two-year term. So, we are ahead of the game. We encourage those members who haven't been president before to consider becoming Club President.

President Alex told us that one year is not enough. Just as you are getting used to being president, your term is up. With a two-year term, your second year is fun and exciting. It goes by quickly and you know what you are doing! Also, attending the second year of President Elect Training Seminar (PETS) you are not so overwhelmed.

PP Doc McKenzie told us when he started his term, he assumed his presidency a bit early. Then President, **Rodger McCloskey**, had to leave for an extended trip, so Doc had to take over a couple of months early. Most of the members were 30 years older than he was, so he was a bit intimidated. His first meeting was a meeting if fines! Doc learned quickly how to be an effective president. No one will let you fail, members want you to be successful.

The **End Polio Now Piggy Bank**, was passed around for the **END POLIO NOW Contest**, which started on October 1st until the end of November 30th. Members fed the pig with \$5, \$10, and \$20 bills. Members are encouraged to designate their money to this effort.

We collected \$76 today!

IC2020

PP Doc McKenzie suggested that we plan a tour of the **Dole pineapple fields** and packing plant for some of our international Rotarians. Maybe show the Rotarians the actual planting of the pineapple crowns for the new crop. After the tour, we would meet at Dot's for lunch and have the President of Dole Foods provide a presentation about Dole Pineapple.

PP Geoff Horvath will meet with the Dole Foods President to see if this is feasible.

This will give our global Rotarians a firsthand experience on the pineapple industry.

We will also host our Sister Club, **Takasaki Symphony Rotary Club**.
