Rotary International President's Message

“Every challenge is an opportunity for renewal and growth.”

Holger Knaack

Dear Rotarians, Rotaractors, and friends,

This does not seem like a time for great optimism, but it has to be. Long before Rotary was founded, the world dealt with great crises that tested humankind's ability to progress and endure. In the age of Rotary, the world has faced many more catastrophes; however, we have survived, and every step of the way, Rotary has helped the world heal.

Every great challenge is an opportunity for renewal and growth. I revealed the theme of *Rotary Opens Opportunities* at the international Assembly in San Diego just as the COVID-19 crisis was beginning, but these are words that I have believed for many years.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe

The strength of our Club lies in its members

Service Above Self – Making a Difference

Editor – PP Geoff Horvath

that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Governments and institutions are gaining a greater appreciation for the types of public health partnerships that are critical to our work. People stuck at home, eager for greater connections and hungry to help their communities, are now embracing the values we have promoted since our beginning.

All of this is positive news, but just because there are greater opportunities than ever for Rotary to thrive does not guarantee that we will succeed. The world is changing rapidly – and was doing so even before this crisis. People were starting to move away from regular lunch meetings and toward online gatherings. Friendships were being cultivated and revived in social media relationships even before most of our meetings moved to Zoom and Skype. Younger generations have a strong desire to serve – but have questioned whether they could play a meaningful role to organizations like Rotary or whether they might make a bigger impact forming different types of connections. Now is the time to put everything on the table, test new approaches, and prepare Rotary for the future.

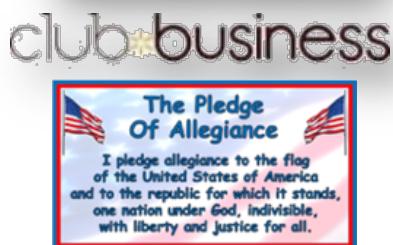

The COVID-19 crisis has forced all of us to adapt. This is good, and our new Action Plan specifically calls on us to improve our ability to adapt. But adaptation is not enough. We need to change, and change dramatically, if we are to face the challenges of this new age and provide Rotary that the world so desperately needs.

This is our great challenge, not just in the next year but into the future. It is up to us to remake Rotary for these new times – to wholeheartedly embrace the ideas, energy, and commitment of young people eager to find an outlet for idealism. We must become organized fully enmeshed in the digital age, not one that simply looks for online ways to keep doing what we have always done.

The world needs Rotary now more than ever. It is up to us to make sure that *Rotary Opens Opportunities* for generations to come.

Hawaii Rotary Youth Foundation (HRYF)

Scheduling change. Our Club 2020 HRYF Scholar celebration has been rescheduled for August 6th, and will be held during our Zoom meeting.

On Saturday, July 18, HRYF held its annual scholarship gala celebration via Zoom.

Zoom made it possible for all neighbor islands to participate. The audience included Scholars, their parents, and Rotarians. There were 45 in attendance.

We had our two \$10,000 Scholars give us a short talk of what their plans were during and after college. After that, we opened up the meeting for other Scholars to speak. Quite a few did and told us how much the scholarship meant to them, their future plans, and their desire to come home to give back to their community. We also had a couple of parents tell us how much the scholarship meant to them and their child.

The District 5000 Governor, **Naomi Masuno** gave a short message to the audience. HRYF President, Geoff Horvath message included opportunities to serve their community in a Rotary affiliated organization called Rotaract, a college-level service organization connected to Rotary International.

The event was recorded and will be uploaded to the District 5000, Our Services, Youth Services, HRYF website.

WORDS OF WISDOM

"Always Do What You Are Afraid To Do" – **Ralph Waldo Emerson**

In each of our lives, there is this one person – if not ourselves – who holds us back in accomplishing our dreams. What better feeling to prove that very person wrong by conquering your worst fears and doubts.

Ralph Waldo Emerson

American poet, essayist, and philosopher Ralph Waldo Emerson was born on May 25, 1803, in Boston, Massachusetts. After studying at Harvard and teaching for a brief time, Emerson entered the ministry. He was appointed to the Old Second Church in his native city, but soon became an unwilling preacher. Unable in conscience to administer the sacrament of the Lord's Supper after the death of his nineteen-year-old wife of tuberculosis, Emerson resigned his pastorate in 1831. Poets.org

ROTARY MINUTE

How to Make Up Missed Meetings In Person Or Online

In this modern world of fast paced living, Rotarians are sometimes unable to make their regularly scheduled club meetings.

Members can find out their attendance statistics by visiting the club's website and navigating to the "Member Area". Statistics can be found under the "My Clubrunner" menu by clicking on the "My Attendance" link.

To make up a missed meeting online, you can go to an "E-Club" rotary club where you can make up meetings by viewing videos or reading articles on their website where you register and then print a form after completing the online meeting requirements which you can then provide to your club secretary to serve as proof of the makeup.

There are also other avenues available to Rotary members for making up for missed meetings such as attending another club's meeting, attending Rotary events, district training events and other club activities.

Jul 30 – Club President's Installation – Dot's Pineapple Lounge. DG Naomi Masuno will be performing the Installation of President Keoni Ahlo and Board members. Members will have to go online to order a bento or plate lunch from Marion's Catering. To order, go to:

<https://my-site-103098.square.site/> add code (which will be provided), so it will be delivered to the Pineapple Lounge for the Installation. Ordering deadline is July 29th.

Jul 30 – District 5000 Governor's Official Visit

Aug 6 - Club HRYF Scholar Celebration (Zoom)

Blood Bank of Hawaii

Aug 20 – (Tentative) Before we can schedule a date, we need at least . Hawaii Blood Bank blood drive – Tentative

Tentative – Dot's Pineapple Lounge. If interested in giving blood, you can sign up utilizing Blood Bank Hawaii's eDonor program. You have three options. The most direct option is to go to www.BBHdonor.org/SC and register. These two options give you more information and will allow you to sign up. These two links are, www.BBH.org and www.BBHdonor.org.

We need 50-60 appointments before we can set a firm date. If you are interested, please let me know so I can assist you in signing up. Also, please ask family members or business associates if they would be interested. It will be at a convenient location, Dot's Pineapple Lounge. All COVID-19 safety precautions will be followed and enforced for everyone's protection. So, no FEAR! See the below paragraphs for safety precautions.

Here is what Blood Bank of Hawaii has done to ensure ample and appropriate Covid-19 health and safety protocols for individuals on site and community (which can also be found on our website – bbh.org):

- Donor stations will be in Dot's Pineapple Lounge to meet physical distancing
- Blood donations are **by appointment** only (donors are scheduled every 15 minutes to space out their

- arrivals)...any potential walk-ins will be asked to make an appointment
- Donors are six feet or more away from each other at all stages of the donation process
 - Donors are pre-screened before entering to make sure they are not showing any flu-like symptoms and are required to wear a mask
 - Donors will also receive a mini-physical exam before donating, which includes a temperature check
 - No more than 10 donors at a time will be in any one room
 - Blood drives are not considered a large gathering because we only schedule a small number of donors at a time throughout the day
 - Disinfecting wipes are placed in all donation areas
 - Donor beds are cleaned between each donation
 - All donor areas are cleaned regularly
 - Staff wears gloves and masks while interacting with donors during the entire donation process
 - BBH has a strict policy about team members NOT reporting to work if they don't feel well

The safety of our donors, staff, and blood supply is a top priority for us. If you still want to move forward, we will need to do a site check of the pineapple showroom to make sure that it meets our indoor mobile set up guidelines. The hours of a blood drive are usually 10 – 12 hours (plus 1 hour of set up and 1 hour of break down). Would that amount of time be possible? We are looking forward to working with you on this. Let me know.

The Hawaii Blood Bank will be taking the following precautions to meet COVID-10 CDC Requirements.

Nov 28 – Rotary plants Trees at the Gunstock Ranch, Laie.

We will be planting around 5,000 trees on 10 acres of land. Rotary District 5000 is looking for 200 volunteers (3 sessions, 2,000 trees each). Please reserve the date in your calendars to attend and help with traffic control and parking. We will be working in three shifts. The three parking shifts are:

8:00 – 10:00 am
10:00 am – 12:00 pm
12:00 – 2:00 pm

If you have any questions, please see Kate Butts.

"You only live once, but if you do it right, once is enough." — Mae West
(goodreads.com)

Mae West

Mae West was an American actress, singer, playwright, screenwriter, comedian and sex symbol whose entertainment career spanned seven decades. She was known for her lighthearted, bawdy double entendres and breezy sexual independence, and often used a husky contralto voice. Most of her movies were in the 1930's.

QUIZ OF THE WEEK

What condiment was sold as medicine in the 1830s?

Board Meeting

Today was our first board meeting of the new Rotary Year.

We didn't have a quorum, so we were unable to approve the minutes from last month's meeting, but there were on changes.

We went over the Treasurer's report and we all thanked our Treasurer, Kate Butts (traveling) for all her hard work in maintaining our books for these past few years, and for staying on until we elect another Treasurer.

We discussed the Installation of our President and officers for Rotary Year 2020-21. We will be holding our installation next Thursday in Dot's Pineapple Lounge. **DG Naomi Masuno** will be presiding and holding her official DG Visit.

Meals, bento's or plate lunches, will have to be ordered individually from Marian's Catering, by going to the following link, <https://my-site-103098.square.site/>. A code will be provided later so our lunches will be delivered to us in the Pineapple Lounge.

Discussed ways to fill vacant positions on our board. One suggestion was to have new members shadow other members wearing multiple hats until they were comfortable with taking over a desired position

PP Geoff brought up a new club start, Passport, e-Club, or Satellite club, on the North Shore. Will coordinate setting up a meeting with business owners and managers to see if there is an interest.

PP Geoff also reported, that at the latest District Membership meeting, that the District Membership team will be producing "Membership Minute" videos, which will be sent out to all clubs for viewing once-a-month. The DG Naomi wants to keep membership in the forefront of all Clubs.

When the business was completed, President Keoni asked for HI 5's.

Derek Conselva had a Low \$5 because the surf has been small lately

President Keoni said that **Jackie Barnes** had reason for a HI \$5. During the sign waving community service project a couple of weeks ago, a visitor from the **Rotary Club of Pearlridge** was talking to Jackie, saying that he had a position for a teacher. Jackie told him that she was a teacher. He told her to submit her

Rotary – 115 Years of Service to the World!

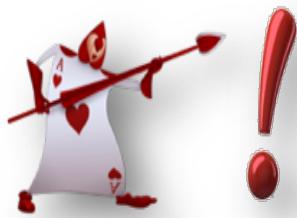

résumé, which she did! She was hired! Now she will not be able to make our meetings!

PP Lilette Subedi had a HI \$5, thanking **PP Alex Kanamu** for his two years of excellent leadership as our President. She also thanked **Kate Butts** for being our Treasurer and for staying on until we have a replacement, and members for their hard work keeping our club going.

President Keoni gave a HI \$5 for **Ashton Kanamu** for all the help he has given him and our Club. Ashton has a monster truck with he is working on and takes kids on rides. President Keoni commented on how he has grown and matured over the years, from a quiet young man into a mature 18 year-old adult.

With no further business, the meeting was adjourned at 1:03 pm.

Answer to the Quiz of the Week: **Ketchup!**

Ketchup was sold in the 1830s as medicine.

Ketchup comes from the Hokkien Chinese word, **kē-tsiāp**, the name of a sauce derived from fermented fish. It is believed that traders brought fish sauce from

Vietnam to southeastern China. The British likely encountered ketchup in Southwest Asia returned home, and tried to replicate the fermented dark sauce.

How Ketchup was made (madehow.com)

Ketchup was used as medicine. In 1834, Dr. John Cooke Bennet added tomatoes to ketchup. Previously, ketchup had been a concoction of fish or mushrooms. The addition of tomatoes meant it added a plethora of vitamins and antioxidants to the sauce. He claimed his recipe could cure: **Diarrhea. Indigestion. Jaundice.**
